

Explore Waterfalls

Some recommended Waterfalls in Bali to visit, Tukad Cepung, Tibumana, Tegenungan, Kanto Lampo, Git Git Waterfall, Banyumala. Visitors need healthy conditions especially going up after returning back from the river as most of the waterfalls are located a little far down from the parking area and takes 15 to 20 minute walk through many steps.

Be ready with changing cloths, towels as just in case of bathing required.
