

ATTRACTION

As the capital of West Java province, Bandung is famous as the city. Flowers, beside their fresh air because of their location surrounded by mountains of various. Aspects are often called a giant story.

Tangkuban Perahu Mountain is located at an altitude of 2084 meters above sea level, It is surrounded by gardens and pine forests which are one of the attractions. The city is also known as Paris van Java. This volcano. The active form of stratovolcano is also located near the hill of Dipterocarp. The Upper Debitrocarb, Montagne, Irikaios forest or mountain forests.

In addition, the main tourist attractions are a nozzle or kawah that does not. Sulfur fumes are still emitted. The Queen of Kawah is one of the largest craters. The most famous in Bandung. The other nozzles are Kawah Opus. And Kawah Dumas. The crater queen can be seen from a higher place with a fence. Wooden for tourist safety. The soil around the nozzle is usually white.

With yellow stones due to sulfur load. It was traditionally reported that the TankopanBerhahu Mountain is associated with the Sangkuriang myth. Who fell in love with his mother Dayang Sumbing. To thwart his son's intention to marry her, Dayang Sumbing stipulated a requirement for Sangkuriang and ordered him to make the boat at night one. When his attempt failed, Sangkuriang got angry and kicked the boat that was over. Half of his work until he turned upside down. This boat became later. Mount TangkubanPerahu
